

The Location

Our Papaaloo Paradise House is located in the town of Papa'aloa, which is right after the 24 mile marker going North from Hilo.

Coming from Hilo, make a left on the second sign that says Papa'aloa. You will then pass 3 streets on your left.

Look carefully for two black and white bumps in the road, then an open gate on the left side of the street, right after the second bump.

Come up that paved road 300 hundred feet, you will see the house with a blue roof and yellow in color.

PLEASE CALL BEFORE YOU COME SO THAT I CAN MEET WITH YOU. THERE ARE SOME TENANTS NOW.....
